Dear Mr. Craver

In refrence to your kind offer of assistance in my becoming a member of the Society of Mayflower descendants I want to ask you to get for me certified copies of the gravestone records of the four graves in Pleasant Mt. M.E. Cemetery, David Kennedy and Eunice Lester his wife, David Kennedy Jr. and Rhoda Stearns his wife--my grand parents and great-grand parents, that we saw when I was in Honesdale? I do not know to whom to apply. Please arrange this and send bill to me. It seems to be very difficult to enter this society though I seem to have all the proof in my references, but evidently they have had experience with persons not entitled to membership.

With my kindest regards to you all, and hoping to see you if you come to New York. Call me up morning or evening at Spring 7-5360 or write me in advance where I can reach you when here.

Very sincerely
